Subject: Fwd: Commissioner Merrifield trip to UK

WR

Please see attached message from John Thoma on Commissioner Merrifield's upcoming trip to the UK. Commissioner Merrifield would like some questions to ask while he is over there that would help the staff's PBMR review and indicate his personal interest in the review. Please provide to Don Carlson with a cc to John Flack via E-mail by noon, Monday, August 27, any high level questions you may have for the Commissioner . I will be away August 24-28.

Thanks!

Stu
