MEMORANDUM FOR: Fire Protection Policy Steering Committee

FROM: Richard H. Vollmer, Chairman  
Fire Protection Policy Steering Committee

SUBJECT: AGENDA FOR SECOND MEETING

The second meeting of the Fire Protection Policy Steering Committee will be held at 9:00 a.m. on September 27, 1984 in Room P-202 A. At this meeting we will be briefed on the Working Group activities and on current inspection content and schedules and have the benefit of the IE and NRR Office Director's views on our activities. Our tentative schedule is as follows:

9:00 a.m.	Executive Session
9:30	Harold Denton and Ed Case
10:00	Dick DeYoung and Jim Taylor
10:30	Faust Rosa will discuss Working Group activities
1:00 p.m.	Steve Richardson will discuss Appendix R inspections
2:00	Committee work

In addition to our consideration of issues raised by the above agenda items, we need to consider policy approaches to deal with technical and schedular exemptions which put implementation of Appendix R into the distant future. Any approaches you have to deal with this issue will be welcomed.

  
Richard H. Vollmer, Chairman  
Fire Protection Policy Steering Committee
