MEMORANDUM FOR: Fire Protection Policy Steering Committee

FROM: Richard H. Vollmer, Chairman
Fire Protection Policy Steering Committee

SUBJECT: AGENDA FOR SIXTH MEETING

The sixth meeting of the Fire Protection Policy Steering Committee will be held at 9:00 a.m. on October 22, 1984 in the Region III offices. At this meeting you should be prepared to discuss and finalize versions of:

- Enforcement Policy
- Generic Letter and Interpretations
- Technical Issues Package
- Standard License Condition
- Inspection Module

In addition, we need to prepare our final report to the EDO. I will FAX an outline to you for your consideration today. In addition, there are a number of issues and suggestions still left hanging. For example: the central point of contact for fire protection issue; the status of NFPA codes; what to do about Tech Specs; and the format of the workshop in advance of the expedited inspections.

Richard H. Vollmer, Chairman
Fire Protection Policy Steering
Committee
