

DISTRIBUTION LIST/CODES FOR NOTICE TO LICENSEES OF PROPOSED FEE RULE

The codes for external and internal distribution shown in parenthesis or each addressee in the following list (except Items 1.H., 1.I., and 1.J.) must be listed on NRC Form 20 when it goes to ADM (Guy Beltz) for printing the notice to licensees. For Items 1.H., I., and J., labels are to be prepared and provided to Distribution by the Fee Billing Team. This list is for LFARB information only and does not need to be attached to the NRC Form 20 if the codes are properly annotated on the form.

1. External Distribution:

- A. Utilities and vendors (11S)
- B. Research and test reactors (11R)
- C. Power plant managers (11M)
- D. Vendors (11V)
- E. All Agreement States (1CY)
- F. All non-Agreement States (1CJ)
- G. Interest groups and organizations (1XI)
- H. NMSS-type licensees, including sealed source/device registrants, and Part 71 certificate and approval holders.¹
