QUALITY ASSURANCE (QA) PROGRAM TRANSITION PLAN

Reference: Letter, Regenda to Gertz, dtd. 10/23/90 with Transition Plan

The referenced Transition Plan has been reviewed by the Yucca Mountain Project Office QA group (POQA). A question concerning POQA approval of any changes to existing Holmes & Narver, Inc. (H&N) or Fenix and Scisson of Nevada (FSN) Quality Assurance Program Plans (QAPPs) was discussed with Michael Regenda on November 6, 1990. Section II of the Transition Plan does not include the POQA in the approval cycle of such changes.

We have been assured by Michael Regenda that, contrary to the statement in Section II, the POQA will continue to have review and approval authority of FSN and H&N QAPP changes. He also emphasized that POQA approval of the Raytheon Services Nevada QA Program Description document is a milestone identified as Item (a) in the referenced letter.

Based upon this understanding, the submitted plan is considered to be approved.

If you have any questions, please contact either Nancy A. Voltura at 794-7972 or Peter J. Karnoski at 794-7736 of the Project Office QA staff.
