CORRECTION TO SANDIA NATIONAL LABORATORIES (SNL) AUDIT NO. 90-04 REPORT

It should be noted that in the Audit Report for Audit No. 90-04 of SNL, an error was made in Section 3, Audit Team Personnel and Observers. During editing of the report, Robert White's responsibility was inadvertently omitted so that the section implies that he was a Technical Specialist on the audit. In fact, he acted as a Technical Advisor to a Technical Specialist on the audit team. The assignment as a Technical Advisor was to provide additional specific technical expertise to the Technical Specialist. Robert White did not participate in pre or post audit activities; therefore, he was not required to prepare or complete a checklist.
