* We need to ask if FRK informed notebooks aside in other locations (also for all documents) (FRK Doug Coe)

Also you could begin building a record of folks who ask for it for security purposes.

Could issue an executive order to add a new category:

Might be prudent to withhold all questionable FOIA requests at this time. Wait to hear from DOT.

* OGD needs to modify procedures so they don't put FOIA requests on ADAMS - only for choice documents we've pulled
