

May 28, 2003

Ms. Donna Dye
Department of Labor
U.S. Employment Services/ALMIS, Room S-4231
200 Constitution Avenue, N.W.
Washington, D.C. 20210

Dear Ms. Dye:

This letter responds to Emily Stover DeRocco's April 29, 2003, request to Patricia G. Norry for information about the U.S. Nuclear Regulatory Commission's (NRC's) use of the Department of Labor's labor surplus area (LSA) list. The NRC does not use the LSA list. Since the HUBZone Program resulted from provisions contained in the Small Business Reauthorization Act of 1997, the NRC uses the Small Business Administration's ProNet website to obtain sources from underutilized business zones in lieu of using the LSA list.

Should you have additional questions or require further assistance, please contact Elois Wiggins, Team Leader, Procurement Policy Team, in our Division of Contracts at 301-415-7317.

Sincerely,

/RA/

Michael L. Springer, Director
Office of Administration
