Amendment Request to Combine Smith Ranch, Highland, and Ruth/North Butte Licenses

Dear Ms. Frant:

Under cover dated March 12, 2003, Power Resources, Inc. (PRI) submitted an amendment request to combine the NRC licenses for the Smith Ranch, Highland, and Ruth/North Butte Projects. In response to comments received from the NRC during discussions between Mr. Bill Kearney of PRI and Mr. John Lusher, NRC Project Manager, PRI has updated its previous submittal (Volume I of the existing Smith Ranch License Application) and is forwarding one (1) copy to you for your review. One (1) additional copy is being forwarded directly to Mr. Lusher.

If you or your staff have any questions, please call me at (307) 358-6541, ext. 46.

Sincerely,

Scott A. Bakken
