NOTIFICATION OF SURVEILLANCE SCHEDULED BY THE YUCCA MOUNTAIN QUALITY ASSURANCE DIVISION (YMQAD) ON U.S. GEOLOGICAL SURVEY (USGS) CORRECTIVE ACTION REQUEST (CAR) 92-04

Susan Zimmerman of your staff requested that she be notified when the subject surveillance is scheduled. Recently, representatives of the USGS Quality Assurance (QA) organization have indicated that USGS CAR 92-04 was closed after verification of corrective action by an internal USGS QA Surveillance team. As a result, please be informed that a representative from YMQAD will perform an Office of Civilian Radioactive Waste Management Office of Quality Assurance surveillance during the week of January 13-15, 1993 at USGS, Denver, Colorado, to verify the adequacy and effectiveness of USGS investigation and corrective actions.

If you have any questions regarding this matter, please contact Robert B. Constable at (702) 794-7945.
