Dear Mr. Holonich:

Pursuant to a telephone request on January 31, 1994, by Mr. Kenneth G. Hooks of your office to Ms. Sharon Skuchko of my office, enclosed in an electronic format is the listing of quality-affecting (QA) software programs currently in use by the Office of Civilian Radioactive Waste Management. Please note that the listing is a WordPerfect table.

This listing was previously provided by the U.S. Department of Energy (DOE) to the U.S. Nuclear Regulatory Commission (NRC), the State of Nevada, and affected local government in a hard copy format via DOE letter dated December 10, 1993 (Shelor to Holonich). In the future, DOE will assure that all revised QA Software Catalogs are distributed to the NRC in both hard copy and electronic formats. However, DOE will provide only a hard copy format of the listing to those on distribution unless otherwise requested.

If you have any questions, please contact Sharon Skuchko at (202) 586-4590.

Sincerely,

Dwight E. Shelor
Associate Director for
