

**DOCKET NUMBER**  
**PROPOSED RULE** 20  
(68 FR 09595)

64

DOCKETED  
USNRC

May 27, 2003 (11:46AM)

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Under absolutely no conditions should nuclear waste with detectable radioactivity be deregulated and allowed into general commerce.

Such materials should be disposed of only in secure, licensed facilities that are designed to isolate such radioactive waste from humans and the environment.
