

RIC 2001

High Level Waste Issues

Session TH4

- P Nevada Perspective on Spent Fuel Management and Disposal
- P Steve Frishman, Technical Policy Coordinator
- P Nevada Agency for Nuclear Projects
- P March 15, 2001

Nevada Law Prohibits Storage of High-Level Nuclear Waste in the State.

Nevada Will Challenge Each Decision That Would Result in HLW Being Sent to Nevada.

This may include site-specific regulations and the Final EIS.

Nevada Has Denied a Permanent Appropriation of Water Rights for a Yucca Mountain HLW Repository.
