APPROVAL OF CORRECTIVE ACTION EXTENSION REQUEST FOR CORRECTIVE ACTION REQUEST (CAR) YM-94-050 RESULTING FROM YUCCA MOUNTAIN QUALITY ASSURANCE DIVISION'S (YMQAD) AUDIT YMP-94-06 (SCPB: N/A)

Reference: Ltr, Hayes to Spence, dtd 12/23/94

The referenced letter requested that the corrective action due date for CAR YM-94-050 be extended to March 10, 1995. Please be advised that this date is acceptable to YMQAD.

However, be aware, this is the fourth extension request. The policy of the Office of Quality Assurance for extension requests is currently being changed to essentially allow the Quality Assurance representative to grant one extension request. Any additional request will be escalated to the Office of Civilian Radioactive Waste Management for resolution.

As this policy will become effective in the near future, this request will be considered the first extension under the new policy.

If you have any questions, please contact either Robert B. Constable at 794-7945 or Donald J. Harris at 794-7356.
