COMPUTERIZED OFFICE OF CIVILIAN RADIOACTIVE WASTE MANAGEMENT
(OCRWM) AUDIT SCHEDULE (SCPB: N/A)

Reference: Information Request #95-003

In response to your request of January 3, 1995, I offer the following:

The Yucca Mountain Quality Assurance Division (YMQAD) of OCRWM is in the process of finalizing the computerized OCRWM Quality Assurance audit schedule. The audit schedule will be accessible electronically by the U.S. Nuclear Regulatory Commission, U.S. Department of Energy, State of Nevada, and others who wish to access the information, by April 1, 1995.

Please be advised prior to being able to view the audit schedule electronically, Inyo County personnel who will have a need to access the system must establish an account with the Yucca Mountain Computer Support Group. The telephone number for the Yucca Mountain Computer Support Group is (702) 794-7818. When the account has been established, a User's Manual for the electronic audit schedule will be provided for guidance on how to access and use the Ingress-based system. The system will allow "Read Only" and "Print" capabilities.

If you have any questions, please contact me at (702) 794-7504.
