

File from Steve Long's computer dated 04/23/02 10:31am named "Weld properties data.mlm"

**From:** Carol Moyer *RES*  
**To:** Steven Long *NRL*  
**Date:** 4/23/02 10:26AM  
**Subject:** Weld properties data

Steve,

I found some data on mechanical properties of 308 SS welds. As Bill had suggested, it was a contractor report from ORNL. Unfortunately, the data is plotted, not tabulated, but I hope it is still of use. I will continue to try and find other sources of data.

The report is NUREG/CR-6628, published Nov. 2000.
