Dear Mr. Calabro:

This is in regard to your letter dated July 26, 1994, to Mr. John E. Blaublitz, Acting Deputy Assistant Secretary for Environmental Management, U. S. Department of Energy (DOE).

I would like to thank you for keeping the U. S. Nuclear Regulatory Commission informed of your interaction with the DOE on the American Nuclear Corporation Gas Hills uranium mill site, since the NRC will be reviewing and approving all forthcoming reclamation efforts at that site. Also, please keep us informed of any upcoming meetings in which our input would be beneficial.

If I can be of any further assistance, you may reach me on (301) 415-6643.

Sincerely,
