Mr. Donald W. Brown  
Marketing Director  
World Marketing Alliance  
1820 E. Sahara Ave., Suite 100  
Las Vegas, Nevada 89104

Dear Mr. Brown:

It was a pleasure to discuss your views of the High Level Waste Program at the recent meeting in Nevada. Enclosed please find a copy of the report I mentioned during our discussion of protection for people who raise safety concerns at nuclear facilities. We are reviewing our position regarding such protection for the Yucca Mountain project. I will keep you informed of our activities in this area, and look forward to further discussions regarding this important regulatory issue.

15/

John T. Greeves, Deputy Director  
Division of Waste Management  
Office of Nuclear Material Safety  
and Safeguards
