Dear Mr. Honolich:

This letter is to inform you that the Office of Civilian Radioactive Waste Management (OCRWM) has issued Revision 4 of the OCRWM Quality Assurance Requirements and Description (QARD) DOE/RW-0333P. The purpose of this revision is to reflect an editorial change to correct a 10 CFR subpart reference in Appendix B of the QARD.

QARD Revision 4 has not reduced any Quality Assurance program commitments previously made to the U.S. Nuclear Regulatory Commission. The enclosure consists of the Table of Contents and Appendix B of Revision 4 which are the only sections that were affected.

If you have any questions or require additional information, please contact either Robert W. Clark at (202) 586-1238 or Richard E. Spence at (702) 794-7504.

Sincerely,
