QUALITY ASSURANCE PROGRAM QUARTERLY TREND REPORT (SCPB: N/A)

Administrative Procedure (AP) 16.3Q, "Trend Evaluation and Reporting," Revision 0, effective July 3, 1995, requires the Office of Quality Assurance to issue a trend report semiannually. This report had been issued quarterly in the past. The report will now be issued on a semiannual basis with the first report being for the period ending December 1995.

AP 16.3Q implements a repetitiveness review with the issuance of each new corrective action document, reducing the need for a quarterly report. The primary purpose of the semiannual report will be to evaluate larger, project-wide trends.

If you have any questions regarding this subject, please contact either Catherine E. Hampton at (702) 794-7973 or Alan W. Rabe at (702) 794-7042.
