REISSUANCE OF DEFICIENCY REPORT (DR) YM-96-D-065 RESULTING FROM YUCCA MOUNTAIN QUALITY ASSURANCE DIVISION'S (YMQAD) SURVEILLANCE YMP-SR-96-016

Enclosed is DR YM-96-D-065 generated as a result of YMQAD Surveillance YMP-SR-96-016. This document, though issued previously (YMQAD:RBC-2171, dated July 22, 1996), was not received by responsible individuals. As a result, this correspondence is a redistribution of that same document.

Please identify the corrective action to be taken and implemented to correct the deficiency. Send the original of your response to Deborah Sult, YMQAD/QATSS, P.O. Box 98608, Mail Stop 455, Las Vegas, Nevada 89193-8608. Response to the DR is due 20 working days from the date of this letter. Any extension to the due date must be requested in writing, with appropriate justification, prior to the due date.

If you have any questions, please contact either Robert B. Constable at (702) 794-5580 or John S. Martin at (702) 794-5591.
