**APPROVAL OF CORRECTIVE ACTION EXTENSION REQUEST FOR DEFICIENCY REPORT
(DR) YMQAD-96-D007 RESULTING FROM YUCCA MOUNTAIN QUALITY ASSURANCE
DIVISION'S SURVEILLANCE YMP-SR-95-050 (SCPB: N/A)**

Reference: Ltr, Segrest to Spence, dtd 5/30/96

The referenced letter requested that the corrective action due date for DR YMQAD-96-D007 be extended to August 30, 1996. (Note that this approval is based on the fact that the revision of the shotcrete specifications will be completed by that date, which is well ahead of the earliest anticipated need for quality affecting shotcrete [January 1997].)

As the second request for extension on this Corrective Action Request, the new due date is accepted in accordance with Administrative Procedure 16.1Q, Revision 0.

Please be advised additional requests will be escalated to the Director, Office of Civilian Radioactive Waste Management, for approval.

If you have any questions, please contact either Robert B. Constable at (702) 794-5580 or Patout H. Cotter at (702) 794-1332.
