ALL AGREEMENT STATES, MINNESOTA, PENNSYLVANIA, WISCONSIN

**2003 NATIONAL GROUND WATER ASSOCIATION MEETING: SEPTEMBER 18-19, 2003,  
NASHVILLE, TENNESSEE (STP-03- 043)**

For your information and consideration, the National Ground Water Association (NGWA) will be conducting a conference that will focus on environmental monitoring issues facing the technical community as they relate to confirmation of hydrogeologic models and feature some important sites in the midsouth region. The conference is organized by experts from Federal and State agencies, academia, consulting companies and computer software developers and users. The conference will encourage: (1) discussion and demonstration of innovative approaches and new methods, (2) technology transfer of data sources, software and analytical methods, and (3) presentations of practical applications and lessons learned.

Attached is information related to the meeting. Although the April 28, 2003, submission deadline for abstracts is passed, you may contact NGWA's Bob Master for consideration of late abstracts at [rmaster@ngwa.org](mailto:rmaster@ngwa.org), or call (800) 551-7379. Updated information is available at the NGWA Web site, [www.ngwa.org/education](http://www.ngwa.org/education)

If you have any other questions on this meeting, please contact Tom Nicholson, Office of Nuclear Regulatory Research, below.
