Re: Private Fuel Storage - Docket No. 72-22-ASLBP No. 97-732-02

Dear Mr. Julian:

Today, Private Fuel Storage, L.L.C. is filing two versions of Applicant's Motion for Clarification and/or Reconsideration of Memorandum and Order (Rulings on Summary Disposition Motion and Other Filings Related to Remand from CLI-00-13) and Partial Initial Decision (Contention Utah E/Confederated Tribes F): a proprietary version and an non-proprietary version. The proprietary version contains confidential commercial and financial information concerning PFS cost estimates and the terms of the Model Service Agreement (previously provided by PFS to the Licensing Board and the Staff and the State) under which PFS would provide spent fuel storage services. For the reasons previously set forth in the 2.790 affidavit and declarations of John D. Parkyn, Chairman of PFS, of May 15, 2000, September 28, 2000, and December 4, 2000, PFS requests that the NRC treat the proprietary version of Applicant's Motion as confidential information under 10 C.F.R. § 2.790.

If you have any questions, please contact me at (202) 663-8429.

Sincerely,

D. Sean Barnett
