Date: Mon, Jun 9, 2003 11:01 PM
Subject: regulatory comment

June 10, 2003 (7:56AM)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

As requested, I hereby register with your commission the strongest possible objection to regulations allowing exposure to members of the public of additional radiation via nuclear waste. I demand/urge/request you to keep such waste under the strictest of regulatory control. In establishing your authority I am certain such control is your mandate. Do NOT abuse it! With respectful regards, Faith Young
