SUBJECT: LETTER OF APPRECIATION

Dear Mr. Payne:

On behalf of the Nuclear Regulatory Commission, and in particular, the local NRC Resident Inspector's Office staff, I would like to express our appreciation for use of the Lynchburg City Hall Meeting Room on June 9, 2003, for our public presentation of the BWX Technologies Licensee Performance Review meeting. Your staff of Ms. Margaret Schmitt and Mr. Blake Morris were exceptionally supportive in ensuring that the room was available and sufficient to meet our presentation needs. Mr. Morris deserves special recognition for doing an excellent job to prepare the room and ensuring that the presentation equipment was working. Please pass this appreciation on to your staff for a job well done.

Sincerely,
