

August 3, 1990

NOTE TO: DOCUMENT CONTROL SYSTEM

FROM: King, Elizabeth

SUBJECT: ADDITIONAL MATERIAL DISTRIBUTED AT THE JUNE 12-13, 1990 NRC-DOE
TECHNICAL EXCHANGE ON SIGNIFICANT FAULTS

Attached is material that the NRC staff distributed prior to the subject Technical Exchange. The document, entitled "Proposed Staff Position on The Concept of Tectonically Significant Fault", was a very preliminary draft provided to participants for discussion purposes only.

This document requires no internal distribution but should be put in the PDR, the LPDRs, and the LSS.

If you have any questions, please call me at x20446.
