

Department of Energy
Washington, DC 20585

MAR 3 1993

Mr. Robert M. Bernero
Director
Office of Nuclear Material
Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Bernero:

In accordance with programmatic agreements between our offices, by letter dated October 8, 1991 (Bartlett to Bernero), you were notified of changes in official contacts for the U.S. Department of Energy (DOE) Office of Civilian Radioactive Waste Management (OCRWM).

As you know, in view of Dr. John Bartlett's recent departure as Director, OCRWM, effective January 12, 1993, I have been designated Acting Director, OCRWM, until a permanent Director for the OCRWM program is appointed.

Also, effective February 10, 1993, Mr. Dwight E. Shelor reassumed the position of Associate Director for the Office of Systems and Compliance (OSC) and will be the primary contact between OCRWM and the U.S. Nuclear Regulatory Commission (NRC) staff. Mr. Shelor may be reached at (202) 586-6046. Concurrently, Mr. John P. Roberts reassumed the position of Director, Regulatory Compliance Division, for OSC. Mr. Roberts may be reached at (202) 586-9896.

This letter also reaffirms other previously established official points of contact. In addition to myself and Messrs. Shelor and Roberts, Mr. Franklin G. Peters, Deputy Director, OCRWM, and Ms. Linda J. Desell, OSC Chief, Regulatory Integration Branch, are designated official OCRWM points of contact. Mr. Peters may be reached at (202) 586-6850 and Ms. Desell may be reached at (202) 586-1462.

All correspondence from the NRC should be directed to either me, Frank Peters, Dwight Shelor, John Roberts, or Linda Desell, as appropriate. Correspondence received by the NRC from DOE and signed by either me or Messrs. Peters, Shelor or Roberts or Ms. Desell is considered official DOE correspondence.

The mailing address for all correspondence to the above-mentioned persons is as follows:

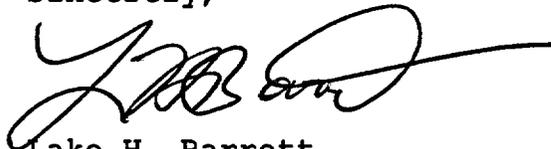

Office of Civilian Radioactive
Waste Management
U.S. Department of Energy
1000 Independence Avenue, SW.
Washington, DC 20585

In addition, please assure that carbon copies of all correspondence are received by Mr. Carl P. Gertz, Associate Director for Geologic Disposal, at the following address:

U.S. Department of Energy
Yucca Mountain Site Characterization
Project Office, M/S 523
Phase 2, Suite 200
101 Convention Center Drive
Las Vegas, NV 89109

Should you have any questions regarding these arrangements, please contact me at (202) 586-6842.

Sincerely,

Lake H. Barrett
Acting Director
Office of Civilian Radioactive
Waste Management
