Subject: Recycling of radioactive waste

June 19, 2003 (7:40AM)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

It is necessary for you to hold open discussions in each state before you take action on this issue. Even if you get your way & radioactive waste is recycled into consumer products, are you ready to insist that these products be labeled as containing radioactive waste? For heavens sake, you have a duty to the US consumer to insist that the products be labeled in this manner.

Barbara E Ewing, 5072A Spencer St, Las Vegas NV 89119
