Waste Management
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Linehan:

This letter is to confirm a discussion with King Stablein on June 22, 1990, concerning distribution of Center for Nuclear Waste Regulatory Analyses research and technical reports.

We have a number of staff members who need, in the course of their work, to use this type of resource and therefore would appreciate it if, in the future, we could receive more than a single copy of any CNWRA report as they are released. If we could be sent six copies when they are distributed it would greatly facilitate our work.

If you have any questions concerning this matter, please contact Jane Stockey, 586-1462, of my staff.

Sincerely,

Linda Desell
