Subject: License No. SUB-1010, Docket No. 040-08027
License Condition 49, Groundwater Monitoring Plan Submittal

Dear Ms. Frant:

License Condition 49 of SUB-1010 requires Sequoyah Fuels Corporation (SFC) to submit a Groundwater Monitoring Plan (GWMP) on or before June 15, 2003. Enclosed with this letter is SFC's GWMP. We will continue our current groundwater monitoring program until this GWMP is approved.

SFC has also submitted this GWMP to the EPA under separate cover as a change to the Groundwater Monitoring Interim Measures Workplan (GMIM). As such, I did not provide a copy of the GWMP to the EPA with this letter.

If you have any questions, don't hesitate to call me at (918) 489-5511, ext. 13, or Craig Harlin at ext. 14.

Sincerely,

for John H. Ellis
President
