

**DOCKET NUMBER  
PROPOSED RULE PR 20**

(68FR 09595)

448

**From:** Hilary Franklin <hfrankli@haverford.edu>  
**To:** Nuclear Regulatory Commission <secy@nrc.gov>  
**Date:** Thu, Jun 19, 2003 3:55 PM  
**Subject:** Stop nuclear waste recycling

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

Decades of experience with nuclear waste and byproducts have shown that they are unspcakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely

Hilary Franklin
