

SEP 2 1992

Thomas Issacs, Director
Office of Strategic Planning and
International Programs
Department of Energy (MS-RW-4)
Washington, DC 20585

Dear Mr. Issacs:

This letter is to inform you that Ms. Charlotte Abrams will be replacing Dr. N. King Stablein as this Office's representative on the Nuclear Energy Agency's Co-ordinating Group on Site Evaluation and Design of Experiments for Radioactive Waste Disposal (SEDE). Ms. Abrams can be reached at (301) 504-3403. Her mailing address is: U.S. Nuclear Regulatory Commission, Division of High-Level Waste Management, Mail Stop OWFN 4-H-3, Washington, D.C. 20555.

Sincerely,

Original Signed by

B.J. Youngblood, Director
Division of High-Level Waste Management
Office of Nuclear Material Safety
and Safeguards
