RE: Steven Dahlberg, Administrator, v. Northeast Illinois Regional Commuter Railroad Corporation, et al., No. 01-L-7687-A, Cook County (Ill.) Circuit Court; Subpoena File No. MI 713966
NRC File No. TR-03-06.

Counselor:

This letter provides further information in response to your request for information about a deceased NRC employee. I have been advised by the Human Resources Department in our Region III Office that the employee's Official Personnel File and her Employee Performance File were returned to the National Personnel Records Center in St. Louis, Missouri, on July 27, 2001. You will need to subpoena those files directly from the National Records Center.

The Region III Office does have a file related to a Worker's Compensation matter, but that file would presumably be covered by the Privacy Act, as I explained in my letter of June 17. In addition, the Region does have a file with a few materials from the coroner's inquest and some newspaper clippings. I will ask the Regional Counsel to review that file for possible release.

I am continuing to check with the Human Resources Department here in Headquarters, and will advise you if I uncover any additional material. Please feel free to call me with any questions.

Sincerely,

/RA/
