SUBJECT: REVISED POINTS-OF-CONTACT FOR THE NUCLEAR REGULATORY COMMISSION'S  
 HIGH-LEVEL WASTE REPOSITORY PROGRAM

Dear Dr. Dreyfus:

The purpose of this letter is to revise the Nuclear Regulatory Commission's single point-of-contact for formal communications given in Appendix I, Section b of the Project-Specific Agreement between NRC and the U.S. Department of Energy. This letter also revises my letter of June 7, 1994, stating that Mr. Joseph J. Holonich would remain as the single point-of-contact for NRC's repository program. Although Mr. Holonich will remain as the general point-of-contact for the overall repository program, he, Ms. Margaret Federline, and Mr. Michael Bell will be points-of-contacts for the specific areas of the program that they are responsible for at NRC. These three areas of programmatic responsibility are defined in the Enclosure.

If you have any questions, please feel free to contact me or Mr. Holonich. I can be reached at (301) 415-7800 and Mr. Holonich can be reached at (301) 415-6643.

Sincerely,
