SUBJECT: FINAL INVESTIGATION REPORT FOR QUALITY CONCERN NO. 95-001

Dear Dr. Dreyfus:

I am responding to the U.S. Department of Energy's (DOE's) *Final Investigative Report for Quality Concern No. 95-001*, transmitted to the U.S. Nuclear Regulatory Commission on July 25, 1995, (see letter from Milner to Knapp). This report presents DOE's final status of actions on the third incident of alleged harassment and intimidation mentioned in my April 10, 1995, letter.

The staff has reviewed the subject report and is not satisfied that DOE has sufficiently addressed the concerns raised by the alleger who brought these issues to the NRC's attention. We discussed this issue with your staff on October 20, 1995. As discussed, John Greeves will meet with your staff on November 2, 1995, to discuss your actions to date and any additional actions that may be necessary to close this allegation.

If you have any questions, please contact John Greeves, of my staff, on (301) 415-7437.

Sincerely,

(Original signed by)
