

KS/SCPPR MEMO TO BLAHA

DEC 12 1990

- 1 -

MEMORANDUM FOR: James L. Blaha, Assistant for Operations  
 Office of the Executive Director  
 for Operations

FROM: Robert M. Bernero, Director  
 Office of Nuclear Material Safety  
 and Safeguards

SUBJECT: TRANSMITTAL OF SCP PROGRESS REPORT TO COMMISSION

Enclosed are copies of DOE's second Progress Report on the Scientific Investigation Program for the Nevada Yucca Mountain Site, covering the reporting period October 1, 1989 to March 31, 1990. The Commission staff has requested copies of the subject document, which the NRC staff received yesterday. The reason for the Commission staff's immediate request is probably a desire to be familiar with its contents prior to Dr. John Bartlett's presentation to the Commission on Tuesday, December 18. The NRC staff will conduct a review of the subject document, with review comments scheduled to be provided to DOE within three months.
