

**DOCKET NUMBER
PROPOSED RULE PR 20**

68FR09595

From: Maegan Yoder <mgyoder122@yahoo.com>
To: Nuclear Regulatory Commission <secy@nrc.gov>
Date: Mon, Jun 23, 2003 6:03 PM
Subject: Stop nuclear waste recycling

990

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

**DOCKETED
USNRC**

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise – in any form – allowed to come into contact with our people, our air, our soil, or our environment.

June 24, 2003 (9:02AM)

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

**OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF**

Sincerely,

Maegan Gasa Yoder
611 13th ST. Apt. 208
Upland, CA 91786
