Dear Dr. Wells:

The purpose of this letter is to notify you of changes in the U.S. Nuclear Regulatory Commission-sponsored membership for the International High-Level Radioactive Waste Management Conference Committees. The NRC-sponsored membership on the Steering Committee will be Margaret Federline, John Austin, and John Thoma. All three of these personnel are NRC employees. These NRC staff will replace Malcolm Knapp and Philip Justus on the Steering Committee. For the Scientific Program Committee, the new NRC-sponsored committee members are John Austin, Norman Eisenberg, Budhi Sagar, and myself. All of these personnel are NRC employees with the exception of Dr. Sagar, who is a senior manager with the NRC contractor involved in the high-level radioactive waste program — the Center for Nuclear Waste Regulatory Analyses. These staff will replace Dr. Donald L. Chery who will no longer be on the Scientific Program Committee. These reassignments are the result of organizational changes within NRC.

If you have further questions, please contact Mr. Thoma at (301) 415-7293.

Sincerely,

(Original signed by:)
