Dear Sirs

**SEDE FIELD EXCURSION TO NORTH-EASTERN
FINLAND ON 13th - 14th SEPTEMBER, 1991**

The references for the appended material (preliminary results of numerical groundwater flow modelling) were missing in the excursion guidebook given at Romuvaara and Veitsivaara on 14th September 1991.

Compilers of the guidebook complain the unfortunate coincidence. Please append this correction note in the Appendix, and note the authors of the appended material:

Technical Research Centre of Finland
Nuclear Engineering Laboratory
Veikko Taivassalo, Lasse Koskinen and Kurt Meling
PL 208
SF-02151 ESPOO
FINLAND
tel. + 358 0 4651

This letter has been sent to all participants of the excursion.

Sincerely Yours,

Eero Heikkinen
