

DOCKET NUMBER
PROPOSED RULE PR 20
(68FR 09595)

From: Linda Langness <langness@coldreams.com>
To: Nuclear Regulatory Commission <secy@nrc.gov>
Date: Tue, Jun 24, 2003 7:41 AM
Subject: Stop nuclear waste recycling

1400

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

DOCKETED
USNRC

June 24, 2003 (9:02AM)

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Sincerely,

Linda Langness
