Dr. James Tulenko, Technical Program Chair
1992 International High-Level Radioactive
Waste Management Conference
Dept. of Nuclear Engineering Sciences
University of Florida
202 Nuclear Sciences Center
Gainesville, Florida 32611

Dear Dr. Tulenko:

The Nuclear Regulatory Commission, Division of High-Level Waste Management, has designated Dr. Donald L. Chery, Jr. as the primary contact for the Commission with the Technical Program Committee for the 1992 International High-Level Radioactive Waste Management Conference. Please direct all your 1992 Conference communications for the Nuclear Regulatory Commission to him. Dr. Chery may be contacted at (301) 492-3461.

Sincerely,

151

B. J. Youngblood, Director
Division of High-Level Waste Management
Office of Nuclear Material Safety
and Safeguards
