Dear Dr. Apted:

Subject: International Near-field Performance Assessment Workshop

On August 17, 1990, I responded to your request for confirmation that we are providing the necessary approvals for Dr. William Murphy to attend the Near-Field Performance Assessment Workshop in Madrid, Spain. At that time all necessary approvals had not been obtained.

The necessary approvals now have been obtained. All approvals for foreign travel are subject to availability of funds after the new fiscal year begins.

Sincerely yours,
