SUBJECT: MANAGEMENT BRIEFS AND ACNW WORKSHOP ON HIGH-LEVEL WASTE
 PERFORMANCE ASSESSMENT

I would like to extend my appreciation for your outstanding efforts and contributions during April and May in preparing for and conducting management and ACNW briefings on progress in the HLW Performance Assessment program.

The high quality of these briefings reflects the high quality of the technical work resulting from many months of creativity and teamwork. Your efforts in preparing for the briefings were particularly significant given the constraints and challenges posed by the move and the reorganization. Also, enclosed is a letter from the ACNW Executive Director which expresses appreciation for the efforts in making the ACNW working group successful. Keep up the good work and enthusiasm as we move into Phase 3.
