

**DOCKET NUMBER  
PROPOSED RULE PR 20****68FR09595**

**From:** Paula Palmer <paupal@indra.com>  
**To:** Nuclear Regulatory Commission <secy@nrc.gov>  
**Date:** Sat, Jun 28, 2003 4:22 AM  
**Subject:** NRC stop recycling/deregulating nuclear waste

2095

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

Decades of experience with nuclear waste and byproducts have shown that they are *unspeakably dangerous!* Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely,

Paula Palmer
