MEMORANDUM FOR: Hugh L. Thompson, Jr.
Deputy Executive Director for
Nuclear Materials Safety, Safeguards,
and Operations Support

89001319

FROM: Robert M. Bernero, Director
Office of Nuclear Material Safety
and Safeguards

SUBJECT: OFFICE OF NUCLEAR MATERIAL SAFETY AND SAFEGUARDS (NMSS)
STAFF AND CONTRACTOR ATTENDANCE AT THE SECOND ANNUAL
INTERNATIONAL HIGH-LEVEL RADIOACTIVE WASTE MANAGEMENT
CONFERENCE IN LAS VEGAS, NEVADA

As requested in your memorandum dated April 5, 1991 enclosed is a list of proposed NMSS and contractor attendees for the subject conference and the information you requested on each attendee. With the exception of J. Latz and P. Nair of the Center for Nuclear Waste Regulatory Analyses, who will be in Las Vegas for other reasons, all proposed attendees are session chairmen or speakers. I would also note for your attention that as a matter of policy, we chose last year to limit our high-level waste program participation to this conference and have, therefore, had virtually no participation in the Waste Management '90 and Waste Management '91 conferences in Tucson.

(Signed) Robert M. Bernero
