

RC/REVIEW DRAFT IP EDO006488

- 1 -

MAY 15 1991

NOTE TO: Richard E. Cunningham, Director
Division of Industrial
and Medical Nuclear Safety

FROM: B.J. Youngblood, Director
Division of High-Level Waste Management

SUBJECT: REVIEW OF DRAFT "IP ASSESSMENT OF DUPLICATION OF IAEA AND NEA
ACTIVITIES" [EDO 0006488]

The Division of High-Level Waste Management (HLWM) staff has reviewed the subject document dated May 8, 1991. The HLWM staff has concluded from its review that no changes are needed to the current draft report in those areas dealing with high-level waste management. If you have any additional questions on this subject, please contact Robert D. Carlson at extension 20435.

Original Signed by:

B. J. Youngblood, Director
Division of High-Level Waste Management
