FROM: Robert J. Wright

SUBJECT: DISTRIBUTION OF HANFORD SCR

Kindly make available a copy of Hanford Site Characterization Report to the individuals named in the attached list. All are involved in the review of the SCR.

In accordance with our earlier discussions, the persons whose names are underlined will be responsible for collecting the copies from Room 623 on the morning of November 15, 1982. Each such person will then be responsible for delivering copies to the individuals listed after his name.

As I will be out of town on November 15, Paul Prestholt will collect and distribute the copies that I would otherwise handle.

Thank you for your cooperation.
