NOTE FOR: WMHL and WMHT Staff
FROM: Nancy Still, WM
SUBJECT: PROJECT NUMBER FOR BWIP CORRESPONDENCE

Upon receipt of the BWIP SCR, this project will be assigned a WM Project number--Project WM-10. Please use this project number on all subsequent correspondence dealing with the BWIP Project. This project number provides a mechanism for grouping all subsequent material, dealing with BWIP, in the Public Document Room.

On the concurrence copy of your correspondence under distribution, please have your secretaries type "Project WM-10" and in parentheses, type the 100 technical file code (101, 101.1, 101.2, 101.3, or 101.4). This system will help us in breaking down the BWIP material into finer categories. Following is an example:

Distribution
Project WM-10 (101.1)
NMSS r/f
WMHT r/f
etc.

Thank you.
