TRANSMITTAL OF REFERENCES CITED IN THE JANUARY 1988 SITE CHARACTERIZATION PLAN CONSULTATION DRAFT (SCP/CD) FOR THE NEVADA NUCLEAR WASTE STORAGE INVESTIGATIONS (NNWSI) PROJECT

The NNWSI Project is shipping to you, under separate cover, twenty boxes containing one copy of each of the available references cited in the January 1988 SCP/CD. The boxes containing the reference set have been shipped to your attention at the following address:

Division of High-Level Waste Management
U.S. Nuclear Regulatory Commission
One White Flint North
11555 Rockville Pike
Rockville, MD 20852

The shipping date was January 5, 1988.

Enclosed with this letter is the SCP Reference Status Report listing the SCP/CD references. This listing provides status information for each individual reference in the reference set. Status information is indicated by an "X" in one of the labeled columns following the reference title. These columns are labeled "Text," "Ordered," and "In Press." References without an "X" are provided in the boxed reference set. For those references with an "X" in the "Text" column, the text has been provided, but oversized plates are not yet available. Oversized plates for these references and references with an "X" in the "Ordered" or "In Press" columns will be provided to you as soon as they are received from the publisher.

Should you have any questions concerning this matter or require additional information, please contact Uel S. Clanton (FTS 575-8943).
